Joining the Freemasonry is not for everyone, but if it is for you, we openly welcome you. We are not a fan group. We are a group of dynamic individuals who stand forth as the ultimate underground alternative the shadow-Elite. We realize what we have, what we are, and what we shall become. Our scope is unlimited, and the extent of your involvement is based upon your own potential. All names and addresses are held in strict confidence and you are under no obligation as a member, unless you choose to come out openly.

Our requests are simple as you will soon find out, and therefore may be hard to comprehend, but disloyalty is not tolerated. In return for your loyalty, you are presented the limitless life of wealth and opportunities in plenty.

We don't solicit memberships; however, if you wish to join us, complete and return the form below.
